This event is held annually at the gates of the Livermore Lab in the Bay Area where 88% of its annual budget is spent on nuclear weapons activities. This year, due to Covid-19, we invite you to join us from home. Together, we will continue to inspire and care for each other - and to move our country and the world to the abolition of nuclear weapons.

The 2020 planning committee includes: Asian Americans for Peace & Justice, Bay Area Physicians for Social Responsibility, Ecumenical Peace Institute, Livermore Conversion Project, No Nukes Action, Tri-Valley CAREs, Western States Legal Foundation, and Women’s International League for Peace & Freedom.
